

### **Beginners & Tots**

Classes will teach the basics of skating - gliding, hoping, two foot turns, one foot glides, two foot spins.

These classes are for skaters of all ages with no experience as well as for skaters who have never taken any lessons.

### **Intermediate**

Classes will teach: Forward & backward crossovers, forward & backward outside edges, forward & backward inside edges, outside & inside 3-turns, edge roles and Mohawks, Beginning 1 foot spin & the Waltz jump.

**Performance Group** – Skaters learn group choreography to be performed in our Home shows.

### **Advanced**

**Jumps & Spins**-Skaters learn and practice all of the basic jumps and spins, beginning with single jumps moving onto doubles.

**Choreography Workshop** - Students learn to choreograph and create their own dances.

### **Ensemble**

Participants learn and perform company repertoire. By invitation.

### **Off Ice**

**Dance class with Gustavo:  
Brazilian, Capoiria and Contemporary
